

# If You Suspect a Virus----

- Leave Computer on
- Do not Reboot the Computer
- Disconnect from LAN
- Contact Help Desk and 919 SOW Virus Monitor (TSgt Stewart: 3-6447)
- Notify other recipients of email containing virus
- Alternates: MSgt Carol Earnest and MSgt Denise Doman
- Annotate history of event – ie Time, Date, Nature of Problem, what you were doing at the time virus occurred

•Four Steps To Virus Protection:  
Prevent - Detect- Eradicate –  
Report
